HISTORY RESEARCH AWARD - THE SCOTT FAMILY TROPHY

Matthew Blundell

For excellence in historical inquiry.

This award was presented to the College by the descendents of the Scott Family who were early settlers in the Northern Wairoa. George and Mary Scott were early farmers in the Ruawai district, farming on Robertson and Tramline Road.

The impetus for the prize was the family's friendship with our former Principal, Mr Stephen Fordyce. In the preface to his book on historical aspects of the Northern Wairoa, Longwater, Stephen stated that without the Scott family's sense of history of the area, his task of gleaning information about the Northern Wairoa from local people would have been very difficult.

This award celebrates authentic historical inquiry.
