## 2024-2025

**Ruawai**  
COLLEGE

### Achievement for students' pathways

### A positive school culture

### A connected school

### The school of choice

### Buildings and grounds

### Our Strategic Direction and Goals

Pathways available support students' academic aspirations. Our curriculum and pedagogy assists students to flourish

Ruawai College has a positive school culture that can be seen and felt in all areas of our school

Ruawai College is connected to our community and beyond

Ruawai College is known as, and feels like, the best school to attend in our community / the Kaipara Region

Ruawai College has a positive physical environment to operate in day-to-day

### How we will achieve this

Using reflection, data, and a range of interventions to enhance teaching and learning which includes being effective Treaty partners to meet the needs of all students.

Ensuring all students enjoy and feel connected to and feel pride in their kura. Relationships with teachers and tauia (students) are enhanced and valued. We will value and promote Māori success as Māori.

Through our actions, we will ensure that our community knows that Ruawai College is a great school. We will look to assist students in having ownership of their learning journey. We will work to meet the aspirations of taurira Māori.

We will foster and grow relationships to meet our students' aspirations. This could include joining Kahui Ako, working with feeder schools, and meeting ERO aspirations for global connections. We will look to strengthen relationships with iwi and hapu.

Building and groundwork to continue to support student outcomes. 10-year property plan to support this. We will value and promote Māori success as Māori through our mahi in this space.
