Well done, Ezra!

ANZAC Celebrations

Thank you to our student leaders below for continuing our school tradition of attending the local ANZAC ceremonies.

Term 1 stats are in; we have had the best regular attendance since Term 3, 2020!
Thank you to all who have helped us achieve this awesome result by attending school and learning.

Tai Tokerau Festival

Our school rōpū participated in the 50th Tai Tokerau Festival in Opononi last term. A heartfelt thank you to the staff and volunteers who made this performance a reality, with special mention to Lee and Sandy Thompson, Zarrah Duffy, Eva Pirini, Jess Moffett, Pikikotuku Te Kahu, Kinania Fuimaono, Wai Hunter, and Bonnie Lindsay.

#rcproud #rcmana

Thank you to our RTLB, Mr Eric Hansen, and Service Academy Director, Mr Abul Azam, for organising a whole school ceremony with our Services Academy students to honour the fallen soldiers from the Ruawai area.

A word from the Principal

Kia ora e te whānau,

It's been a fantastic start to the term, and I want to take a moment to celebrate some of the great things happening in our school community. Firstly, thank you to those who attended the parent-student-teacher meetings at the beginning of the term. We were thrilled to see such strong engagement. Your involvement plays a crucial role in students' learning.

Our regular attendance figures are the best they've been since Term 3, 2020. This is a real testament to the commitment of our students and whānau in prioritising learning, and we're proud of this collective effort.

We'll soon be inviting whānau to contribute to shaping the future direction of our school. We'll be reviewing our school's vision, mission, and values, and your voice is essential in that process. Please keep an eye out for opportunities to have your say.

Tickets for the Year 13 Japan trip have been booked. This is a once-in-a-lifetime opportunity for many of our senior students, and we can't wait to share more details as the trip approaches. Keep an eye out for upcoming fundraising events and ways you can support.

Transition Expedition

On Thursday, 1 May, Whaea Tem, Bonnie, and I went to the Disability Transition Expedition, held in Dargaville. We hoped to find some work connections and to see what was out there for us. It was a fun learning experience, where we were able to come away with options and support networks. We also gained knowledge about the organisations that may help our transition out of school at the end of the year. I was lucky enough to win the chocolate easter egg raffle, held on the day. It was an awesome opportunity and experience.
